

THE STATE OF COLORADO

Planning on buying a house? car? or taking out a loan?
Now, verification of your employment and income
history can be done immediately through an
interactive voice response system.

The Work Number[®]

National Employment/ Income Verification Service provided by TALX Corporation

- **Secure:** You control who has access to your employment and income information.
- **Fast:** Employment verifications processed in a matter of minutes, instead of days or even weeks.
- **Smart:** It saves both you and the company time and money.
- **Accurate:** Information provided directly from state payroll and retirement records.

IMPORTANT NOTE:

Personnel and Payroll Officers will NO LONGER handle requests for verification of employment and income. Requests should be referred to this new service.

October 1, 2001
